

It's Poinsettia Time!

Once again, we can get them wholesale from Fahr Greenhouses in St. Albans at last year's prices! These are 6 1/2" pots, with foil covers. (See pictures below.) Prices listed represent a \$2.00 donation to Emerson Chapel. Poinsettias will be delivered to Emerson on Thursday, December 10. They may be picked up after church on Sunday, Dec. 13, or any Sunday in December. All poinsettias must be picked up by Christmas Eve. (Other times by special arrangement through Camille Herman)

As always, these make a beautiful display in the Sanctuary during our December services. And, I know many of you use them for Christmas gifts. **They must be ordered by November 29th.**

Please complete the form below and drop in the collection basket or see Camille with your order/send an e-mail to Marketing@emersonuuchapel.org. Checks should be made out to **Emerson Chapel**. Write **Poinsettia** in the memo line. You can mail them to the office, or give to Camille after church on Sunday. All plants are 5-6 blooms for \$10 and come with a foil cover.
