

What to expect? Where to park? Where do I enter?

Directions

To get directions from your home to our building, please use 17815 Wild Horse Creek Road, Chesterfield, MO 63005 (while we have a sign out front, this is the location of Barat Academy) as our address.

Turn onto the road located off Wild Horse Creek Road, shown on the Yahoo® map as "Hilliburton Ln". There are two driveways and you want to enter the paved drive to the left. (The right unpaved lane is a home driveway.) Park anywhere in front of the building. Enter from the front. You will find signs and greeters to direct you to our Sanctuary.

Our religious education and child care takes place down the hall to the right as you enter. And if you prefer social time rather than attending religious education, this takes place next to our Sanctuary space after the service.

On the last Sunday of each month, we have a pot luck during the religious education time. This is a multigenerational social time and everyone is welcome. There will be plenty to share! Stay and get to know us!!
